Subject: Freedom of Information Act Request
Date: Friday, July 27, 2018 12:17:25 PM

This is a request for records under the Freedom of Information Act.

I am requesting copies of records of communications between Acting Administrator Andrew Wheeler and former EPA Administrator Scott Pruitt. This request is for communications date from February 1, 2017 to the date the agency begins its search for responsive records.

I am specifically requesting all communications (including email with all attachments) between Mr. Wheeler and Mr. Pruitt. Additionally, per EPA records management policy, electronic messages such as text messages are agency records which must be preserved made accessible under the Freedom of Information Act. As such, a satisfactory search for responsive records includes a search for records created by the individuals listed above using any of the following services: Google Chat, Skype for Business, IBM Sametime, Novell Groupwise Messenger, Facebook Messaging, iMessage; Short Message Service and Multimedia Messaging Service on devices, such as Blackberry, Windows, Apple or Android devices; Google Voice, Twitter Direct Message, Slack, Snapchat, WhatsApp, Pigeon, Yammer, Jive, or other internal collaboration networks.

I prefer to receive records in electronic format. Due to the time-sensitive nature of this request, I will hold the EPA to a strict 20 business-day timeline for a response unless the agency notifies me in writing of extenuating circumstances that necessitate an extension by ten business-days.

Please provide a written statement of the grounds, including specific provisions of FOIA, for denying, redacting, or withholding any records responsive to this request.

Please alert me if you expect the cost of duplicating this request to exceed \$200 You may contact me with questions at (202) 748-2309 or Hudson.munoz@gmail.com.

Thank you,

Hudson Munoz
